## Acknowledgements

“Growing Michigan’s Future – A Guide to Marketing Your Michigan Food and Agriculture Products” was produced by the Michigan Department of Agriculture’s Office of Agriculture Development, using U.S. Department of Agriculture Specialty Crop Block Grant funds.

The Office of Agriculture Development (AgD) delivers expertise and leadership to support economic development in Michigan’s food and agriculture industries. AgD, through innovative partnerships, strives to help grow Michigan’s economy by creating an environment for healthy food, healthy people, and healthy agricultural communities.

The Michigan Department of Agriculture would like to acknowledge the efforts of the Wisconsin Department of Agriculture, Trade and Consumer Protection and the Minnesota Institute for Sustainable Agriculture for their work on local foods marketing guides for their respective states. These guides served as valuable resources when creating the Michigan guide.

This guide was created and prepared by the following team:
